When any land which is situated in an unalienated village, or which, being situated in an alienated village, is excluded from the assets thereof, has been allowed by Government to be held free of assessment or on a reduced assessment on condition of its being appropriated to one purpose, it shall become liable to be charged with full assessment, if at any time it ceases to be appropriated for such purpose.

Land held rent-free for one purpose liable to assessment if used for another purpose.

It shall also be lawful for the Deputy Commissioner or for a survey officer, subject to rules or orders made in this behalf under section 233, to prohibit the appropriation of any unalienated land liable to the payment of land revenue for certain purposes, and to summarily evict any holder who may appropriate, or attempt to appropriate, the same to such prohibited purposes.

Appropriation of land to certain purposes may be prohibited.

49. (1) When it has been customary to levy any special or extra cess, fine or tax, however designated, from any holder of land, which, though nominally wholly or partially exempt from the payment of land revenue, has, by the exaction of such cess, fine or tax, been indirectly taxed to the State ;

Commuted assessment of land indirectly taxed to the State.

or, when any land ordinarily, or under certain circumstances, wholly or partially exempt from assessment, is subject occasionally, or under particular circumstances, to the payment of assessment, or of any cess, or tax, however designated ;

And of land liable to occasional assessment.

the said assessment, cess, fine, or tax may be commuted into an annual assessment on the land to be paid under all circumstances ; but such commuted assessment shall not exceed such amount as the Government shall deem to be a fair equivalent of the assessment, cess, fine or tax for which it is substituted, and shall not be in excess of the assessment to which the land would be ordinarily subject if no right to exemption existed in respect thereof.

(2) Whenever any such cess, fine or tax hitherto payable by an inferior holder shall be made leviable from the superior holder,

Superior holder may recover

commuted assessment from inferior holder.

it shall be lawful for such superior holder to recover from such inferior holder the amount of the commuted assessment fixed in lieu of such cess, fine or tax.

Excess of assessment may be levied on land inadequately assessed held with it.

(3) When it has been customary to levy a larger revenue upon any portion of land than such portion would ordinarily be liable to, in consideration of other land being held with it which is wholly or partially exempt from payment of revenue, the excess of revenue payable on the said portion of land may be charged upon the land hitherto held wholly or partially exempt.

Assessment by whom to be fixed.

50. On all lands not wholly exempt from payment of land revenue, and not within the local operation of an order made under section 106, the assessment of the amount to be paid as land revenue shall be fixed at the discretion of the Deputy Commissioner, subject to rules or orders made in this behalf under section 233, and the amounts due according to such assessment shall be levied on all such lands:

Proviso.

Provided that in the case of lands partially exempt from land revenue, or the liability of which to payment of land revenue is subject to special conditions or restrictions, respect shall be had, in the fixing of the assessment and the levy of the revenue, to all rights legally subsisting, according to the nature of the said rights.

Register of alienated lands.

51. A register shall be kept by the Deputy Commissioner in such form as may, from time to time, be prescribed by the Government, of all lands the alienation of which has been established or recognized under the provisions of any law for the time being in force; and when it shall be shown to the satisfaction of the Deputy Commissioner that a sannad granted in relation to any such alienated lands has been permanently lost or destroyed, he may, subject to the rules and the payment of the fees prescribed by the Government under section 232, grant to any person whom he may deem entitled to the same a certified extract from the said register, which shall be endorsed by the Deputy Commissioner to the effect that it has been issued in lieu of the sannad said to have been lost or destroyed, and shall be deemed to be as valid a proof of title as the said sannad.

Settlement of assessment to be made with the holder directly from Government.

52. The settlement of the assessment of each portion of land, or survey number, to the land revenue, shall be made with the person who, under section 142, is primarily responsible to Government for the same.

Or, if he be absent and have left no

53. The Government may authorize the Deputy Commissioner or the officer in charge of a survey, or such other officer as it appoints, to fix such rates as it may from time to time deem fit to sanction for the use, by land-holders and other persons, of water the right to which vests in Government, or which has been made available in consequence of the construction, improvement or repair of any irrigational or other work by Government [a] or by a private person acting under the written authority of Government. [a] Such rates shall be liable to revision at such periods as Government shall from time to time determine, and shall be recoverable as land revenue.

Rates for the
use of water.

54. Arrears of land revenue due on account of land by any land-holder shall be a paramount charge on the holding and every part thereof, failure in payment of which shall make the occupancy or alienated holding together with all rights of the occupant or holder over all trees, crops, buildings and things attached to the land, or permanently fastened to anything attached to the land, liable to forfeiture, whereupon the Deputy Commissioner may levy all sums in arrear by sale of the occupancy or alienated holding, freed from all tenures, encumbrances, and rights created by the occupant or holder or any of his predecessors in title, or in anywise subsisting as against such occupant or holder, or may otherwise dispose of such occupancy or alienated holding under rules or orders made in this behalf under section 233.

Land revenue

mount charge

55. It shall be lawful for the Deputy Commissioner, in the event of the forfeiture of a holding through any default in payment or other failure occasioning such forfeiture under the last preceding section or any law for the time being in force, to take immediate possession of the land embraced within such holding, and to dispose of the same by placing it in the possession of the purchaser or other person entitled to hold it according to the provisions of this Regulation or any other law for the time being in force.

Penalty for failure to grant receipts.

57. Any person convicted of a breach of the provisions of the last preceding section, after summary enquiry before the Deputy Commissioner, shall be liable to a fine not exceeding three times the amount received for which receipt was not duly granted.

CHAPTER VI.

OF THE OCCUPATION OF UNALIENATED LAND AND THE RIGHTS OF OCCUPANTS.

Occupation.

Written permission of Amildar required previous to taking up unoccupied land.

58. Any person desirous of taking up unoccupied land which has not been alienated must, previously to entering upon occupation, obtain the permission in writing of the Amildar or Deputy Amildar, or as may be provided under rules made in this behalf under section 233.

Penalties for unauthorized occupation of land.

59. Any person who shall unauthorizedly occupy any land set apart for any special purpose, or any unoccupied land which has not been alienated, shall,

if the land which he unauthorizedly occupies forms part of an assessed survey number, pay the assessment of the entire number for the whole period of his occupation; and

if the land so occupied by him has not been assessed, such amount of assessment as would be leviable for the said period in the same village on the same extent of similar land appropriated to the same purpose;

and shall also be liable, at the discretion of the Deputy Commissioner, to a fine not exceeding five rupees, or a sum equal to ten times the amount of assessment payable by him for one year, if such sum be in excess of five rupees, if he have taken up the land for purposes of cultivation, and not exceeding such limits as may be fixed in rules or orders made in this behalf under section 233 if he have appropriated it to any non-agricultural purpose.

The Deputy Commissioner's decision as to the amount of assessment payable for the land unauthorizedly occupied shall be final, and in determining the amount of assessment payable for the land unauthorizedly occupied, occupation for an incomplete portion of a year shall be counted as for a whole year.

Sections 60-62.

The person unauthorizedly occupying any such land may be summarily evicted by the Deputy Commissioner, and any crops he may have raised on the land shall be liable to forfeiture, and any building or other construction he may have erected thereon shall also, if not removed by him after such written notice as the Deputy Commissioner may deem reasonable, be liable to forfeiture.

Forfeitures under this section shall be adjudged by the Deputy Commissioner, and any property so forfeited shall be disposed of as the Deputy Commissioner may direct.

60. It shall be competent to the Deputy Commissioner, subject to such orders as may from time to time be made by the Government, to require the payment of a certain price for the occupancy, or to sell that right by auction, and to annex such conditions to the occupancy as may seem fit, before permission to occupy is granted under section 58.

Occupancy right to be paid for and to be liable to certain conditions.

The price of an occupancy shall, unless otherwise directed by the terms of the sale, include the price of the Government right to all trees not reserved under the provisions of section 41, and shall be recoverable as an arrear of land revenue.

Price to include price of trees.

61. When it appears to the Deputy Commissioner that the occupancy of any alluvial land which vests, under any law for the time being in force, in Government, may, with due regard to the interests of the public revenue, be disposed of in perpetuity, or otherwise as the Government may direct by rules or orders made in this behalf under section 233, he shall offer the prior right of occupancy thereof to the occupant, if any, of the bank or shore on which such alluvial land has formed.

Occupancy of alluvial land which vests in Government.

The price of an occupancy so offered shall not exceed three times the annual assessment of the land of which the occupancy is offered.

If the said occupant shall refuse such occupancy, the Deputy Commissioner may dispose of the same under the last preceding section without any restrictions as to the price thereof.

62. When alluvial land forms on any bank or shore, the occupant, if any, of such bank or shore shall be entitled to the temporary use and occupation thereof, unless or until the area of the same exceeds half an acre, and also exceeds one-tenth of the area of his holding. When the area of the alluvial land exceeds the said extent, it shall be at the disposal of the Deputy Commissioner, subject to the provisions of the last preceding section.

Temporary right to alluvial land of small extent.

Sections 63-64.

The word "holding," in this section and in section 47 shall be deemed to mean a survey number, or any division of land on which a distinct or aggregate assessment has been fixed.

Occupants' Rights.

Uses to which occupant of land for purposes of agriculture may put his land.

63. (1) An occupant of land appropriated for purposes of agriculture is entitled, by himself, his servants, tenants, agents, or other legal representatives, to erect farm-buildings and dwelling houses for agriculturists and their laborers, construct wells or tanks, or make any other improvements thereon for the better cultivation of the land, or its more convenient occupation for the purposes aforesaid.

Procedure, if the occupant wishes to apply his land to any other purpose.

(2) But if any occupant wishes to appropriate his holding or any part thereof to any other purpose, the Deputy Commissioner's permission shall, in the first place, be applied for by the registered occupant. The Deputy Commissioner, on receipt of such application, shall at once furnish the applicant with a written acknowledgment of its receipt, and, after inquiry, either grant or refuse the same; but if the applicant receive no answer within three months from the date of the said acknowledgment, the Deputy Commissioner's permission may be deemed to have been granted. Unless the Deputy Commissioner shall, in particular instances, otherwise direct, no such application shall be recognized except it be made by the registered occupant.

Fine to be levied for such appropriation in addition to special assessment.

(3) When any such land is thus appropriated to any purpose unconnected with agriculture, it shall be lawful for the Deputy Commissioner, subject to general orders of Government, to require the payment of a fine in addition to any new assessment which may be leviable under the provisions of section 48.

Penalty for so appropriating land without permission.

64. If any such land be so appropriated without the permission of the Deputy Commissioner being first obtained, or before the expiry of three months from the date of the said acknowledgment, the occupant and any tenant or other person holding under or through him shall be liable to be summarily evicted by the Deputy Commissioner from the land so appropriated, or from the entire field or survey number of which it may form a part, and the registered occupant shall also be liable to pay, in addition to the new assessment which may be leviable under the provisions of section 48, for the period during which the said land has been so appropriated, such fine as the Deputy Commissioner may, subject to the general orders of the Government, direct.

Co-occupant or tenant responsible to

damages.

Provided that the Deputy Commissioner may, instead of fining the registered occupant as aforesaid, fine any co-occupant or any tenant of any occupant, or any other person holding under or through an occupant, who may have, without the registered occupant's consent, appropriated any such land to any such purpose as aforesaid.

Proviso.

65. Nothing in the last two preceding sections shall prevent the granting of the permission aforesaid in special cases on such terms as may be agreed on between Government and the registered occupant.

Permission
may be grant-
ed on terms.

66. An occupant is entitled to the use and occupation of his land for the period, if any, to which his occupancy is limited, or, if the period is unlimited, in perpetuity, conditionally on the payment of the amounts due on account of the land revenue for the same according to the provisions of this Regulation, or of any rules made under this Regulation, or of any other law for the time being in force, and on the fulfilment of any other terms lawfully annexed to his occupancy.

Occupant's
rights are
conditional.

67. If, by a decree or order of a competent Court, it shall be adjudged that the occupant of any land is an inferior holder under another person, or that the occupancy is vested in another person, or if in the execution of such a decree or order the interest of the occupant in the land have been transferred by sale or otherwise to another person, such other person shall, on producing a certified copy of the decree or order, or the Court's certificate of the sale, or other transfer, be deemed to be the occupant and be dealt with accordingly, and on written application being made to the Deputy Commissioner for the purpose, such change shall be made in the entry of the registered occupant's name as the circumstances require.

petent Court

68. On the death of a registered occupant, the Deputy Commissioner shall cause the name of his eldest son, or other person appearing to be his heir or the principal of his heirs, to be registered in his stead, and the said heir shall thereafter be deemed the registered occupant, and, subject to the provisions of the last preceding section, shall be dealt with accordingly.

Name of heir
to be regis-
tered when

69. If at any time any person shall, by production of a certificate of heirship or of a decree or order of a competent Court,

Sections 70-72.

satisfy the Deputy Commissioner that he is entitled to be the registered occupant in preference to the person whose name the Deputy Commissioner has ordered to be registered under section 68, the Deputy Commissioner shall cause the entry in the Government records to be amended accordingly.

Right of occupancy to be transferable and heritable.

70. The right of occupancy shall be deemed an heritable and transferable property subject to the provisions contained in section 54, or otherwise prescribed by law, and shall immediately pass to the person whose agreement to become an occupant shall have been accepted by the Deputy Commissioner.

Relinquishment of occupancy.

Occupant may relinquish his occupancy.

71. An occupant may, by giving written notice to the Amildar or Deputy Amildar, relinquish his occupancy, either absolutely or in favor of a specified person: provided that such relinquishment apply to the entire occupancy or to whole survey numbers, or recognized shares of survey numbers.

An occupancy absolutely relinquished shall be at the disposal of Government, and shall be disposed of by the Deputy Commissioner in accordance with such rules as may, from time to time, be framed by Government in that behalf.

An absolute relinquishment shall, unless otherwise directed by any special or general rules framed by Government, be deemed to have effect from the close of the current revenue year, and notice thereof must be given before the 31st March in such year, or before such other date as may be, from time to time, prescribed in this behalf for each district by the Government. A relinquishment in favor of a specified person may be made at any time.

When there are more occupants than one, the notice of relinquishment must be given by the registered occupant; and the person, if any, in whose favor an occupancy is relinquished, or, if such occupancy is relinquished in favor of more persons than one, the principal of such persons, must enter into a written agreement to become the registered occupant, and his name shall thereupon be substituted in the records for that of the previous registered occupant.

Relinquishment of lands paying a lump assessment.

72. When a lump assessment is fixed upon several fields or survey numbers in the aggregate, it shall not be lawful for the occupant to relinquish as aforesaid any one or more of such fields or survey numbers except with the previous consent of the Deputy Commissioner. It shall be competent to the Deputy Commissioner to grant or refuse his consent; if he grants it, the occupancy shall be divided, and the Deputy Commissioner shall determine the

Sections 73-76.

proportional amount of land revenue to be paid by each portion of it, and the original occupant and the person, if any, in whose favor he relinquishes a portion of his occupancy, shall be held liable for the revenue severally assessed on their portions.

73. The provisions of the last two sections shall apply as far as may be, to the holders of alienated land :

Relinquish-
ment of
alienated land.

Provided—

Proviso :

(a) that it shall not be lawful to relinquish as aforesaid any portion of any land held wholly or partially exempt under the circumstances described in the first paragraph of section 49 until the commuted assessment payable in respect of such portion of land has been determined under the provisions of the said section ; and

Relinquish-
ment of land
described in
section 49.

(b) that if any person relinquish land on which, under the circumstances described in section 49, a larger revenue is levied than would ordinarily be leviable on such land, he shall be deemed to have relinquished also the land held with it which is wholly or partially exempt from payment of revenue.

74. If any person relinquishes land the way to which lies through other land which he retains, the right of way through the land so retained shall continue to the future holder of the land relinquished.

Right of way
to relin-
quished land.

75. Nothing in sections 72 and 73 shall affect—

(a) the responsibility of any share in a village for the land-revenue of which the sharers are all, according to law or the custom of the village, jointly responsible, or

Sections 72
and 73 not to
operate in cer-
tain cases.

(b) the validity of the terms or conditions of any lease or other express instrument under which land is, or may hereafter be, held from Government.

76. The registered occupant or the holder of alienated land shall continue liable for the land revenue due on the occupancy or alienated holding and for all other lawful demands of Government in respect of the same, until such time as the occupancy or alienated holding is relinquished or transferred, under any of the provisions of this Regulation, to the name of any other person ; and the Deputy Commissioner shall not be bound in any case to recognize any person to whom any interest in any portion of an occupancy or alienated holding has been assigned, unless the transfer has been recorded in the revenue records in accordance with the foregoing provisions.

Occupant or
holder to
continue li-
able for all de-
mands until
the occupancy
or holding is
duly relin-
quished or
transferred.

Sections 77-78.

Remedies against Forfeiture of Occupancies and Alienated Holdings.

To prevent forfeiture of occupancy, certain persons other than the registered occupant may pay the land revenue.

77. In order to prevent the forfeiture of an occupancy or alienated holding under the provisions of section 54 or of any other law for the time being in force, through non-payment, by the registered occupant or by the holder of the alienated holding, of the land revenue due on account of the occupancy or alienated holding, it shall be lawful for any co-occupant, co-holder, co-sharer, tenant, mortgagee or other person co-interested in the continuance of the occupancy or alienated holding, to pay, on behalf of such registered occupant or holder, all sums due on account of land revenue, and for the Deputy Commissioner to receive the same.

And in any such case, the Deputy Commissioner may give to the person who has paid the land revenue as aforesaid such aid for the recovery of the proportional amounts which he may consider to be properly payable by other persons in occupation or enjoyment of parts of a field or survey number or alienated holding as he might legally have given had the persons so paying been the registered occupants or holders of alienated holdings:

Proviso.

Provided that nothing authorized or done under the provisions of this section shall affect the rights of the parties interested as the same may be established in any suit between such parties in a Court of competent jurisdiction.

Deputy Commissioner may in certain cases make co-occupant or other person registered occupant instead of selling occupancy for realization of land revenue.

78. If it shall appear to the Deputy Commissioner that a registered occupant or holder of an alienated holding has failed to pay land revenue, and has thus incurred forfeiture with a view to injure or defraud his co-occupants, co-holders, co-sharers or other persons interested in the continuance of the occupancy or alienated holding, or that a sale of the occupancy or alienated holding will operate unfairly to the prejudice of such co-occupants, co-holders, co-sharers, or other persons, it shall be lawful for him, instead of selling the occupancy or alienated holding, to forfeit only the interest in the same of the said registered occupant or holder of alienated holding as the case may be, and to substitute the name of any such co-occupant, co-holder, co-sharer, or other person as registered occupant or holder thereof in the revenue records, on his payment of all sums due on account of land revenue for the occupancy or alienated holding; and such person so becoming the registered occupant or holder shall have the rights and remedies with respect to all other persons in occupation or enjoyment provided for by section 97.

Sections 79-80.

CHAPTER VII.

OF SUPERIOR AND INFERIOR HOLDERS.

Tenancy.

79. A person placed, as tenant, in possession of land by another, or, in that capacity, holding, taking or retaining possession of land permissively from, or by sufferance of, another, shall be regarded as holding the same at the rent, or for the services, agreed upon between them; or, in the absence of satisfactory evidence of such agreement, at the rent payable or services renderable by the usage of the locality, or, if there be no such agreement or usage, shall be presumed to hold at such rent as, having regard to all of the circumstances of the case, shall be just and reasonable.

Amount of
rent payable
by tenant.

And where, by reason of the antiquity of a tenancy, no satisfactory evidence of its commencement is forthcoming, and there is not any such evidence of the period of its intended duration, if any, agreed upon between the landlord and tenant, or those under whom they respectively claim title, or any usage of the locality as to duration of such tenancy, it shall, as against the immediate landlord of the tenant, be presumed to be co-extensive with the duration of the tenure of such landlord and of those who derive title under him.

Duration of
tenancy.

And where there is no satisfactory evidence of the capacity in which a person in possession of land in respect of which he renders service or pays rent to the landlord, receives, holds or retains possession of the same, it shall be presumed that he is in possession as tenant.

Presumption
as to tenure.

Nothing contained in this section shall affect the right of the landlord (if he have the same either by virtue of agreement, usage, or otherwise) to enhance the rent payable, or services renderable, by the tenant, or to evict the tenant for non-payment of the rent, or non-rendition of the services, either respectively originally fixed or duly enhanced as aforesaid.

Saving clause.

80. An annual tenancy shall, in the absence of proof to the contrary, be presumed to run from the end of one cultivating season to the end of the next. The cultivating season may be presumed to end on the 31st March.

Annual ten-
ancy termin-
ates on 31st
March.

An annual tenancy shall, in the absence of any special agreement to the contrary, require for its termination a notice given in writing by the landlord to the tenant or by the tenant to the landlord at least three months before the end of the year of

ant for ter-
mination of

Sections 81-83.

tenancy at the end of which it is intimated that the tenancy is to cease. Such notice may be in the form of Schedule E or to the like effect.

Landlord to furnish tenant with written lease.

81. Every tenant is entitled to receive from his landlord a written lease containing the following particulars:—

(a) the quantity and description of land held by him, and where the fields have been numbered in the records of a Government survey or other public record, the number of each field;

(b) the amount of annual rent, if any, payable for such land;

(c) the instalments in which, and the dates on which, such rent is to be paid;

(d) any special conditions of the lease; and

(e) if the rent is payable in kind, the quantity or the share of produce to be delivered; and the time, manner and place of delivery.

Landlord entitled to written engagement from tenant.

82. Every landlord who grants a lease is entitled to receive a written reciprocal engagement from the tenant, executed by the tenant and in conformity with the terms of the lease. The tender to any tenant of a lease such as he is entitled to receive shall entitle the landlord to receive a reciprocal engagement from such tenant.

Leases or agreements fixing rent in perpetuity.

83. (1) Notwithstanding anything contained in section 79, where, before the passing of this Regulation, any lease has been granted or any agreement entered into fixing in perpetuity the rent of unalienated land, such lease or agreement shall, when the Government revenue payable in respect of such land is enhanced, be voidable at the option of the landlord, unless the tenant agrees to pay such rent as the Deputy Commissioner or other person duly empowered in this behalf may, on the application of the landlord, determine to be fair and reasonable.

(2) When the Government revenue payable in respect of such land is reduced, such rent as the Deputy Commissioner or other person duly empowered in this behalf may, on the application of the tenant, determine to be fair and reasonable, shall be accepted by the landlord.

(3) The determination of the amount of rent under this section shall be such that the net profits accruing to the landlord therefrom are the same as before the enhancement or reduction of the Government revenue.

Sections 84-86.

Rights of Tenants in Alienated Land.

84. A tenant holding alienated land, whether situated in an alienated village or not, and paying to the superior holder of such land, by way of land revenue, a rent in money or in kind assessed at rates of land revenue assessment obtaining at the time when such land was alienated by Government, or at rates subsequently fixed in accordance with the established rates of land revenue assessment for the village, or at rates fixed by competent revenue authority or by a survey settlement, shall have a right to continue to hold such land at the rent hitherto paid for it, or, when such rent is altered in accordance with this Regulation, at the rent so altered.

"*Kadim* tenant" defined.

Such a tenant shall be called a "*kadim* tenant."

The payment of rent by the person or persons from whom a *kadim* tenant derives his title shall be the payment of rent by such tenant within the meaning of this section.

Kadim tenant to have all rights conferred upon occupant of unalienated land.

A *kadim* tenant shall have all rights which are conferred by this Regulation upon an occupant of unalienated land.

85. In the case of alienated lands which are either immemorial waste lands or lands left unoccupied through voluntary relinquishment or otherwise, it shall be lawful for the superior holder, by means of a written agreement, to arrange his own terms of rent with the applicants for such lands: Provided that nothing in this section shall affect any special rights which, by law or usage having the force of law, are held by any individual or class of individuals in such waste or unoccupied lands.

Superior holder may arrange his own terms of rent for alienated waste land.

86. The rent payable by a *kadim* tenant shall not be liable to enhancement except—

(a) to the extent of the proper full assessment as fixed and recorded at a survey under sections 111, 120, and 236, or under a revision of survey under section 115;

(b) to the extent necessary for re-imbursing the superior holder for any cesses assessable on lands which Government may newly impose upon him;

(c) to the extent of the additional value imparted to the holding by any work of irrigation or other improvement executed at the expense of the superior holder, or to the extent of any additional tax which he has been required to pay to Government by reason of the additional value imported to the holding, whether by the use of Government water, or by any work of irrigation or other improvement executed at the expense of Government;

Extent to which rent payable by a *kadim* tenant may be enhanced.

Sections 87-90.

Proviso.

Provided that the enhancement of rent due to additional value imparted to a holding under this section shall be fixed in accordance with the established local usage of the village, or, where there is no such local usage, in accordance with rates of assessment prevailing in neighbouring villages as regards lands, alienated or unalienated, of similar quality with similar advantages; and

(d) to the extent of the increased area of the holding due to alluvion, but subject to the conditions specified in sections 46 and 62.

Grounds for abatement of rent payable by a *kadim* tenant.

87. The rent payable by a *kadim* tenant is liable to abatement,

(1) on the ground that the area of the land held by him has been diminished by diluvion or otherwise, by any cause beyond his control;

(2) to the extent of any reduction of assessment at a survey or revision of survey under sections 111, 115, 120 and 236;

(3) when there has been an enhancement of rent on any of the grounds specified in clauses (b) and (c) of section 86, to the extent to which such grounds have ceased to exist, as well as to the extent to which the holding has deteriorated in value, by reason of the superior holder's neglect to repair or maintain irrigation works and the consequent diminution of the supply of water for irrigation purposes.

Suit for enhancement or abatement of rent to be made to Deputy Commissioner.

88. Any person entitled to have rent enhanced or abated upon any of the grounds specified in sections 83, 86 and 87 may bring a suit before the Deputy Commissioner within whose district the land on account of which such rent is payable is situated, and such Deputy Commissioner shall decide the suit after holding a formal enquiry.

Nothing in sections 84 to 87 to bar the enhancement or abatement of rent by written agreement of landlord and tenant.

89. Notwithstanding anything contained in sections 84 to 87 (both inclusive), an enhancement or abatement of rent payable by a *kadim* tenant may be effected by agreement in writing between tenant and landlord duly registered in accordance with the provisions of any law for the time being in force relating to the registration of assurances, and Civil Courts may take cognizance of suits based upon such agreement.

Operation of decision for enhancement or abatement of rent from what date to commence.

90. Every decision for enhancement or abatement of rent passed by the Deputy Commissioner under section 88 shall, except when such decision otherwise expressly directs, take effect from the commencement of the revenue year next following the date of the filing of the suit.

Sections 91-95.

91. *Kadim* tenants are entitled to receive leases at the rate hitherto paid by them or determined in accordance with the provisions of section 88.

Terms of
kadim ten-
ants' leases.

All other tenants are entitled to leases on such terms as may be agreed upon between them and their landlords.

CHAPTER XIV.

219. In this chapter, unless there be something repugnant in the subject or context,—

Interpretation clause.

“land” includes the sites of villages, towns and cities; it also includes trees, growing crops and grass, fruit upon, and juice in, trees, rights of way, ferries and fisheries;

“Land.”

Sections 220-221.

“Land
revenue.”

“land revenue” means all sums and payments in money or in kind received or claimable by, or on behalf of, Government, from any person, on account of land held by, or vested in, him, and any cess or rate authorized by Government under the provisions of any law for the time being in force.

Saving of pro-
visions of
Pensions Act.

220. Nothing in this chapter shall affect any of the provisions of Act XXIII of 1871 (The Pensions Act).

Bar of certain
suits.

221. Subject to the exceptions hereinafter appearing, and except as hereinbefore expressly provided, no Civil Court shall exercise jurisdiction as to any of the following matters :—

(a) claims against Government relating to any property appertaining to the office of any hereditary officer appointed or recognized by Government or of any other village officer or servant ; or

claims to perform the duties of any such officer or servant or in respect of any injury caused by exclusion from such office or service ; or

suits to set aside or avoid any order relating to such office or service or such officer or servant, which may be passed by Government, or any officer duly authorized in that behalf ; or

claims against Government relating to lands declared by Government, or any officer duly authorized in that behalf, to be held for any service whatsoever ;

(b) objections—

to the amount or incidence of any assessment of land revenue authorized by Government, or to the mode of assessment, or to the principle on which such assessment is fixed ; or

to the validity or effect of the notification of survey or settlement, or of any notification determining the period of settlement ;

(c) claims connected with or arising out of any proceedings for the realization of land revenue, or the rendering of assistance by Government, or any officer duly authorized in that behalf, to superior holders for the recovery of their dues from inferior holders ; or

claims to set aside on account of irregularity, mistake, or any other ground except fraud, sales for arrears of land revenue ;

(d) claims against Government—

(1) to be entered in the revenue survey or settlement records or village papers as liable for the land revenue, or as superior holder, inferior holder, occupant or tenant ; or

Section 221.

(2) to have any entry made in any record of a revenue survey or settlement; or

(3) to have any such entry either omitted or amended;

(e) the distribution of land or allotment of land revenue on partition of any estate under Bombay Act IV of 1868, or under this Regulation, or under any other law for the time being in force;

(f) claims against Government to hold land wholly or partially free from payment of land revenue; or

to receive payments charged on or payable out of the land revenue; or

to set aside any cess or rate authorized by Government under the provisions of any law for the time being in force; or

respecting the occupation of waste or vacant land belonging to Government;

(g) claims regarding boundaries fixed under Bombay Act I of 1865 or under this Regulation, or under any other law for the time being in force;

or to set aside any order passed by a competent officer under any such law with regard to boundary marks.

Provided that if any person claim to hold land wholly or partially exempt from payment of land revenue under— Proviso.

(h) any enactment or rules having the force of law for the time being in force expressly creating an exemption not before existing in favor of an individual, or of any class of persons, or expressly confirming such an exemption on the ground of its being shown in a public record, or of its having existed for a specified term of years, or

(i) any written grant from the Government expressly creating or confirming such exemption,

such claim shall be cognizable in the Civil Courts.

Illustrations to (h).

(1) It is enacted that when a specific limit to assessment has been established and preserved, the assessment shall not exceed such specific limit. A is the owner of land worth Rs. 100 for assessment. He claims to be assessed at Rs. 50 only on the strength of a course of dealing with him and his predecessors under which his land has not been more highly assessed. There is no exemption not before existing created by enactment, and A's claim is not cognizable in a Civil Court.

Section 222.

(2) It is enacted that land revenue shall not be leviable from any land held and entered in the land register as exempt. A claims to hold certain land as exempt on the ground that it has been so held by him and is so entered in the land register. This is an exemption expressly confirmed by enactment on the ground of its being shown in a public record, and A's claim is cognizable in a Civil Court.

(3) It is enacted that the Deputy Commissioner shall confirm existing exemptions of all lands shown in certain maps to be exempt. A claims exemption alleging that his land is shown in the maps to be exempt. A's claim is cognizable in a Civil Court.

(4) It is enacted that assessment shall be fixed with reference to certain considerations and not with reference to others. This is not an enactment creating an exemption in favor of any individual or class, and no objection to an assessment under such an enactment is cognizable in a Civil Court.

(5) It is enacted that, in the event of the proprietary right in lands, the property of Government, being transferred to individuals, they shall be permitted to hold the lands for ever at the assessment at which they are transferred. The proprietary right in certain lands is transferred to A at an assessment of Rs. 100. An exemption from higher assessment not before existing is expressly created in favor of A by enactment, and he may seek relief in the Civil Court against over-assessment.

Saving of certain suits.

222. Nothing in the preceding section shall be held to prevent the Civil Courts from entertaining the following suits :—

(a) suits against Government to contest the amount claimed or paid under protest, or recovered as land revenue, on the ground that such amount is in excess of the amount authorized in that behalf by Government, or that such amount had, previous to such claim, payment, or recovery, been satisfied, in whole or in part, or that the plaintiff, or the person whom he represents, is not the person liable for such amount ;

(b) suits between private parties for the purpose of establishing any private right although it may be affected by any entry in any record of a revenue survey or settlement, or in any village papers ;

(c) suits between superior holders and inferior holders relating to matters not otherwise expressly provided for by this Regulation.

And nothing in clause (g) of the preceding section shall be held to prevent the Civil Courts from entertaining suits, other than suits against Government, for possession of any land being a whole survey number or a recognized share of a survey number.

Sections 223-226.

223. Revenue officers shall not be liable to be sued for damages in any Civil Court for any act *bona fide* done or ordered to be done by them as such, in pursuance of the provisions of any law for the time being in force.

Bar of certain suits against revenue officers.

If any revenue officer absconds or does not attend when called on by his official superior, and if the Deputy Commissioner of the district proceeds against him or his sureties for public money, papers or property, according to the provisions of this Regulation, or of any law for the time being in force, such Deputy Commissioner shall not be liable to pay damages or costs in any suit brought against him by such officer or sureties, although it appears that a part only, or no part whatever, of the sum demanded was due from the officer so absconding or failing to attend, or that he was not in possession of the papers or property demanded of him.

224. Nothing in any law for the time being in force, which authorizes the punishment departmentally of any revenue officer for any offence or breach of duty, or which sanctions his prosecution criminally for such offence or breach, shall be held to bar any remedy which may be had in the Civil Court against such officer.

Punishment or prosecution of revenue officer, no bar to civil remedies

225. No Civil Court shall entertain any suit against Government on account of any act or omission of any revenue officer, unless the plaintiff first proves that, previously to bringing his suit, he has presented all such appeals allowed by the law for the time being in force as, within the period of limitation allowed for bringing such suit, it was possible to present.

Suits not to be entertained unless plaintiff has exhausted right of appeal.

226. If, in the trial or investigation of any suit, claim or objection which, but for the provisions of this chapter, might have been tried or investigated by a Civil Court, or in any appeal against orders passed in such trial or investigation, there arises any question on which the Government, whether upon its own motion, or upon the recommendation of the Deputy Commissioner, or upon the application of the party interested, desires to have the decision of the Chief Court, the Government may cause a statement of the question to be prepared, and may refer such question for the decision of the Chief Court.

Power of Government to refer questions for decision of Chief Court.

The Chief Court shall fix an early day for the hearing of the question referred, and cause notice of such day to be placed in the Court-house.

Sections 227-230.

The parties to the case may appear and be heard in the Chief Court in person, or by their Advocates or Pleaders.

The Chief Court, when it has heard and considered the case, shall send a copy of its decision, with the reasons therefor, under the seal of the Court, to the Government by which the reference was made, and the case shall be disposed of conformably to such decision.

If the Chief Court considers that any such statement is imperfectly framed, the Chief Court may return it for amendment.

The costs (if any) consequent on any such reference shall be dealt with as the Chief Court in each case directs.

Power of Civil Judge to refer questions of jurisdiction to Chief Court.

227. If, in any suit instituted, or in any appeal presented, in a Civil Court, the Judge doubts whether he is precluded by this chapter from taking cognizance of the suit or appeal, he may refer the matter to the Chief Court.

The Chief Court may order the Judge making the reference either to proceed with the case or to return the plaint.

The order of the Chief Court on any such reference shall be final.

Composition of Bench.

228. If the Chief Court consists of three or more Judges, every reference under section 226 or section 227 shall be heard by a Bench consisting of such number of Judges not less than three as the Chief Judge from time to time directs.

Reference of Government suits to District Judge.

229. No Munsiff, Subordinate Judge or Court of Small Causes shall receive or register a suit in which the Government or any officer of Government in his official capacity is a party; but in every such case, such Munsiff, Judge or Court shall refer the plaintiff to the District Judge in whose Court alone such suit shall be instituted.

Privileges of Government in suits defended by it.

230. Whenever any suit is brought in any District Court against Government, or against any revenue officer, and the Government undertakes the defence thereof, it shall be lawful for the Government, by a certificate signed by a Secretary thereto, to require that the trial of any such suit shall have precedence over the trial of any other suit or other civil proceeding then pending in such Court, and the Court shall give effect to every such requirement.

The privilege conferred on the Government by this section shall *mutatis mutandis* apply to any appeal or second appeal against any decree in any such suit as is described in this section.

Sections 231-233.
